Definition of the Family Membership: A Family Membership is defined as one primary member and up to three additional members who are 18 years of age or older. The additional members can be any person related to the primary member by marriage, partnership, adoption, or birth. Family Membership Requirements: A Rotary Family Membership will provide the opportunity for up to four members of a family to be included as club members. Each family membership will have the same rights and obligations as individual club members. The primary member will be designated by the family. The three associate members will be appointed by the primary member. It will be the responsibility of the primary member to determine how the family members will meet the attendance requirements and participate in club activities.		
Cost of a Family Membership: The cos	t of a corporate membership is \$	200 per year. The Rotary year begins July 1st one-time initiation fee of \$75 to cover the costs of
