Rotary Foundation Month

During the past 100 years, the Rotary Foundation has spent \$3 billion on life-changing, sustainable projects. By working together, we can make lives better in our community and around the world.

Our donations make a difference to those who need our help the most. More than 90 percent of the donations go directly to supporting our service projects around the world.

Our 35,000 Rotary clubs carry out sustainable service projects that support our six causes. Through donations, we've wiped out 99.9 percent of all polio cases. We have also trained future peacemakers, supported clean water, and strengthened local economies.

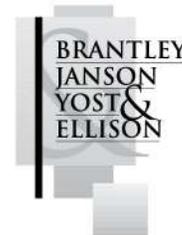

Donations save lives. A child can be protected from polio with as little as 60 cents. Our partners make our donations go even further. For every \$1 Rotary commits to polio eradication, the Bill & Melinda Gates Foundation has committed \$2.

Donations can be made online at <https://my.rotary.org/en>. If you need additional information, contact Foundation Chair Ed Pullen by email at edwardpullen@gmail.com.

Serving Others Through Bountiful Blessings

Club Service Chair Rosella Sims has organized a project designed to serve the families at Helping Hand House.

Serving on teams, members of our Club are filling Thanksgiving baskets with toiletries, gifts, grocery gift cards, and other items that will make Thanksgiving meaningful and memorable for the families in the four Rotary duplex units.

Each team has a name and a team captain who is cheering on the members of the team to design the "best basket ever." Helping Hand House staff will be on hand at the November 15 meeting to receive the baskets for the families.

Don't know which Bountiful Blessings Team is your team? Contact Rosella by email at rosella@rosellasims.com. Help make a family's holiday a little brighter this year.
