Paul Harris Awards Received!

Howard Svigals, Gig Harbor Midday Rotarian and representative of the District 5020 Rotary Foundation joined our Club in November to present information about the Foundation, a source of funds that annually "seeds" the work we do through our District and Global grants. As Rotarians, we are asked to contribute annually to the Rotary Foundation. For information on how to contribute, check the Website or contact Club Foundation Chair Ed Pullen.

During his visit, Svigals presented Paul Harris awards to Don Miller (his sixth Paul Harris Award) and Rosella Sims (her first award). Rosella received her award in honor of her mother May Turner who was stricken by polio with she was 23 years old. Pictured above with President Joseph are (left to right) Rosella Sims, Don Miller, Club Foundation Chair Ed Pullen and Howard Svigals.

Serving Others in our Community

This past November, Club Service Chair Rosella Sims coordinated a Bountiful Blessings project to serve the families at Helping Hand House. Receiving the gifts for those families was former South Hill Rotarian and Helping Hand House employee Laurie Jackson. Also this month, South Hill Rotarians gathered to move the Puyallup Giftmakers toy collection box to a location near "Center Court" at the South Hill Mall. Toys will be collected throughout the holiday season and delivered to local non-profit organizations to give to community families. Financial donations can also be received through the Puyallup Schools Foundation c/o Gary Larson.
