Pam Larsen Receives Paul Harris Award

District Governor Craig Gillis presented South Hill Rotarian Pam Larsen with her first Paul Harris Award. As he presented the award District Governor Gillis commented "While it is always an honor to present a Rotarian with a Paul Harris Award, it is particularly special to present someone with their first award."

Individuals contributing \$1,000 to the Rotary Foundation are recognized as Paul Harris Fellows and receive a certificate, pin, and special designation on our Website and in our Club Directory.

President

Thank You Nicole and Genna!

Thank you to Nicole Miller (left) and Genna Smith (right), Interact Co-Presidents and ERHS seniors. Nicole and Genna have worked with us tirelessly—serving our community as Interact members and officers for the past three years. They played instrumental roles in Hounds on the Hill for each of those years. Our appreciation and congratulations to both Nicole and Genna as they graduate and move onto another step in their journey.

Students of the Month and Interact

Emerald Ridge High School

Rogers High School

ERHS Career Specialist and Rotarian Patti McMullan presented the students of the month for Emerald Ridge High School. **Nicklaus Thompson** (left) is enrolled in AP computer science and programming courses. He plans to attend the University of Washington to study computer science and molecular biology. **Anna Wertenberger** (center) has taken many AP courses and is in the aviation program. Anna plans to attend college to become a museum curator. **Sydney Colbern** (right) also excels in mathematics and is enrolled in several AP classes including AP Calculus. Sydney plans to attend UC Davis, the University of Washington Aerospace Program or UCLA.

RHS Career Specialist and Rotarian Richard Mitchell presented the students of the month for Rogers High School. Standing next to President Joseph is **Braden Gomme**. Braden has taken five AP classes—mostly in the math and science areas. Braden plans to attend either Carnegie Mellon University, University of Washington or Seattle University to major in computer science with a minor in math. Next to him is **Kyler Horner** who has been in the manufacturing program for three years and the welding program for a year while also taking CAD and architectural drawing courses. He plans to attend Oregon State University to study mechanical engineering.

Hounds on the Hill

Hounds on the Hill, our next big Club fundraiser, is “off and barking!” This year’s event is scheduled for Saturday, August 17, at Bradley Lake Park Puyallup, 531 31st Avenue SE, from 9 am to 3 pm. **Your help is needed to make sure this year’s event is a success!**

Please work on securing vendors and sponsors and asking them to register on our Website at www.houndsonthehill.org. A 10’ x 10’ booth is available for only \$55 (non-profit cost is \$25). Payments can be made by credit card.

If you prefer to suggest names of prospective vendors and sponsors and have one of our committee members follow up, please email that information to Chair Cally Fortin at houndsonthehill@gmail.com.

Book Club Fun

Book Club meetings always provide fun, fellowship, food and drink, and a great discussion. Meetings are held at the homes of Book Club members. Pictures above are from the February meeting held at the home of Rick and Karen Hansen. The April meeting will be held at Mary Neff’s home and features a discussion of Ruth Bader Ginsburg’s book, *My Own Words*. All Rotarians and guests are welcome to attend.
