Moving Ahead in a New Rotary Year

President Elizabeth began her year at the helm of the Club on July 1. Some of the projects she will be working on with the help of club members include work on a literacy project, a pollinator garden, environmental projects, increasing membership, and establishing an active fellowship program.

President Elizabeth invites all members and guests to the monthly after-hours networking meeting to be held from 4pm to 6 pm on the first Wednesday of every month. Locations will vary and will be announced prior to the meetings.

Welcome President Vahl!
