Early Act Program to Begin

One of the Club's goals this year is to develop a partnership with a local elementary school. With the help of several Club members and Firgrove Assistant Principal David Couch, a partnership with Firgrove Elementary School was established and the Firgrove Early Act program came into being.

Rotarians joined with AP David and other Firgrove staff members to establish goals for the year. Following the meeting, staff began working to identify and interview students who are interested in the program. Using the practices we have established in our Rotary Club, Rotarians will walk alongside the students to develop projects, help our community, and learn about our world.

"I want the students to learn leadership skills," said AP David. Working with the South Hill Rotarians, the students can learn about the importance of giving back to their community. We are very excited about this partnership!"

Saluting our Sponsors

Several years ago, the Board of Directors adopted a new and unique corporate sponsorship program.

The program is a win-win for our Rotary Club and our partner organizations. While providing needed funds to support various projects, events, and activities sponsored by Puyallup South Hill Rotary, our partner organizations receive outstanding recognition and marketing opportunities resulting in the improvement of life for people in our communities and around the world.

This year's corporate sponsors include those companies with logos featured below. Corporate sponsors are featured at our Club events, at our meetings, on our social media platforms, on our brochures and marketing materials, and at other activities sponsored by the Club. They are also listed on the Website with links to their own websites.

The Corporate Sponsorship program is headed by long-time Rotarian Kitty McGuane. Guidelines and information on how your organization can become involved are posted on the Puyallup South Hill Rotary Website at www.southhillrotary.org.

Connor Reschke Cara Kwon Co-Presidents

Interact Co-Presidents Connor Reschke and Cara Kwon began their monthly reports on their Club activities at Emerald Ridge High School. Although school began just a few weeks ago, the Interact Club is in high gear. Their November project is to collect gift cards to present to several families in the ERHS community to be used to purchase holiday meals.

South Hill Rotarians can help with this project by making financial contributions to this project using the CORE button on our Club website at www.southhillrotary.com. All money we collect through November 19 will be sent to the Interact students to be used for this project.

If you have questions or would like more information, please contact Interact Advisor and fellow Rotarian Patti McMullan at mcmulpl@puyallup.k12.wa.us.
