Story Walk Installation #2

Under the direction of Literacy Chair Trish Cole, South Hill Rotarians will install a new story walk at Bradley Lake Park in Puyallup. The storywalk will showcase the book, *Cat's Colors*, which is written and illustrated by Airlie Anderson. This is the second story walk installed at a Puyallup Park. The first featured the children's book, *The Bugliest Bug*, written by Carol Diggory Shields, and was installed last year at Wildwood Park. The new installation will take place on **Saturday, November 20**, and all Rotarians and friends are welcome to help. Meet at **10 am** at the lower end of the park near the Lake. Remember to bring your shovels and picks; dress warmly, and wear your books!

November is Foundation Month

During the past 100 years, the Foundation has spent \$3 billion on life-changing, sustainable projects. With your help, we can make lives better in your community and around the world.

Why should I donate to The Rotary Foundation?

Your donation makes a difference to those who need our help most. More than 90 percent of donations go directly to support- ing our service projects around the world.

How does The Rotary Foundation use donations?

Our 35,000 clubs carry out sustainable service projects that sup- port our six causes. With donations like yours, we've wiped out 99.9 percent of all polio cases. Your donation also trains future peacemakers, supports clean water, and strengthens local econ- omies.

What impact can one donation have?

It can save a life. A child can be protected from polio with as little as 60 cents. Our partners make your donation go even further. For every \$1 Rotary commits to polio eradication, the Bill & Melinda Gates Foundation has committed \$2.
